

Activating Your FSUID Account

FSU students are required to set-up a FSUID account:

- 1) Obtain your FSU Card at the Card Center (next to the FSU Bookstore on the first floor of the Woodward Avenue parking garage).
- 2) Find a computer to use (either in the Music Library or the Computer Lab in KMU, or anywhere else with internet access).
- 3) Go to <http://its.fsu.edu/FSUID-Account-Management>
- 4) Follow the directions on the link above to A.) Find your EMPLID, and B.) Activate your FSUID.

Note: You will need to know your EMPLID (a unique, nine-digit identifier) before you can activate your FSUID account:

<http://its.fsu.edu/FSUID-Account-Management>

Your FSUID is your username for access to many Florida State University systems and resources, including myFSU Portal, Blackboard/Canvas, OMNI, Wi-Fi, computer labs and more. FSUIDs are issued to all student applicants, prospective students, admitted students, faculty and staff.
