Address where the "Recognition of Completion" may be sent _____

The Specialized Studies Program in Pedagogy of Music Theory is designed for the qualified graduate music student who is interested:

1. in gaining an understanding of the discipline of music theory;
2. in mastering the materials and skills associated with the teaching of undergraduate music theory; and
3. in developing techniques for the teaching of lower division theory;
4. in putting the acquired techniques to the test by teaching, under supervision, selected lower division theory classes.

This program consists of eighteen hours of class work (including one semester of supervised teaching) and successful completion of two graduate theory competency exams in partwriting and keyboard harmony.

Required course work includes:
