Pass in this term or delay graduation.

Bachelor of Music in Performance - Organ Track

Students are responsible for making successful academic progress and completing their degree programs. To avoid delays, it is imperative that students attend advising sessions regularly and understand degree requirements.

Supportive Courses in Music

Student Recital Attendance

Students must complete 6 semesters of Student Recital Attendance (MUS 1010). To earn a grade of "Satisfactory", students must earn 15 recital credits by attending college-approved events. Some events may be worth multiple recital credits. Transfer students should consult their advisor regarding required number of semesters.

Secondary Applied Lessons

Students must consult their organ professor concerning the Applied Secondary requirement. Secondary Lessons are typically done in voice for keyboard principals, or a keyboard instrument for voice principals. They are typically 2 credits per semester and taken twice. Students may continue taking secondary lessons beyond the requirement if desired.

Advanced Theory

Students must complete 3 courses of Advanced Theory of their choosing. Additional Advanced Theory courses may be offered under MUS 3934 (Special Topics in Music). An approved list of MUS 3934 courses is posted each term.

Major Area - Organ Performance

Applied Music

Applied music lessons (private lessons) with a professor or graduate student on the student's primary instrument must be taken every fall and spring until degree requirements are satisfied. Students may be required to perform juries or final examinations as determined by their studio.

A student may stay in one applied level for no more than 3 semesters. If after 3 semesters of study a student does not progress to the next level, the student must change to a major outside the College of Music.

Ensembles

Students must earn a minimum of 6 ensemble credits. Ensembles taken for 0 credit do not satisfy any of the 6 required ensemble credits. Each ensemble has 2 interchangeable course codes: MUN 2___ and MUN 4___, though 2 ensembles should be taken at the 4000 level not including MUN 4475 (Baroque Ensemble) and MUN 4803 (World Music Ensemble).

Students receiving music scholarships must participate in at least one ensemble each semester. While this may be any ensemble, many students participate in one of the ensembles listed above. These ensembles may be taken for 0 credits and still fulfill this scholarship requirement.

General Studies

Satisfactory completion of 36 credits of general education courses within the Liberal Studies of the 21st Century program. For more details about each of these requirements, please see: *It's All Academic 2022*: <https://undergrad.fsu.edu/academic-information/its-all-academic>

Quantitative & Logical Thinking (Math)

Students must complete a total of 6 credits in this area including 3 credits from a State Core course with a prefix of either MAC or MGF, and 3 credits of a Quantitative & Logical Thinking course of their choice. This requirement must be completed with a grade of C- or better within the first three semesters of undergraduate study, not including summers.

English Composition

Students must complete a total of 6 credits in this area: ENC 1101 and ENC 2135. This requirement must be completed with a grade of C- or better within the first two semesters of undergraduate study, not including summers. Students transferring in with a completed AA degree from a public Florida institution are exempt from taking ENC 2135. All other transfer students should consult their advisor.

Social Science & History

Students must complete 6 credit hours in the combined area of Social Science and History. 3 of these credits must be a State Core. Since 3 credits for History will be covered by MUH 3211 (Music History I), students must therefore complete 3 credits of a Social Science State Core course. Options include:

- ANT2000 (Intro to Anthropology)
- ECO 2013 (Macroeconomics)
- POS 1041 (American National Gov.)
- PSY 2012 (General Psychology)
- SYG 1000 (Intro to Sociology)

*Advisor Recommendations:

Since MUH 2512 (Music in World Cultures) and MUL 2110 (Survey of Music Literature) fulfill the Humanities requirement, students must complete the only Ethics State Core course: PHI 2010 (Introduction to Philosophy).

Alternatively, if a student has credit for any of the following courses...
