*NOTE: MUH 5219 and MUT 5051 are remedial (or review) courses, and they do not fulfill degree requirements under any circumstances. There are no exceptions to this policy.

These courses address past curricular deficiencies and/or comprehension levels of core curricular content, as determined by graduate music classification and placement assessments. Successful completion of these remedial (review) courses prepares students for graduate-level content courses in the disciplines of Music History and Music Theory.

Additional remediated coursework, in other curricular areas, may be required of a student as well -- as determined by Area faculty.
