

2024 Conduct Agreement

Nothing is more important to us than the well-being of our campers. We are vigilant about emotional safety as well as physical safety; about creating a place where campers feel safe, supported in reaching their goals and accomplishing challenges, and where everyone can have fun. To this end, the FSU Summer Music Camps requires all campers and parents to read and agree to the following Camp Rules and Behavior Policies:

I Will Show Respect For Others.

- I will uphold the standards of our community of camp musicians; helping to maintain a safe and welcoming environment, and helping to foster positive relationships between fellow campers as well as with camp staff and instructors.
- I understand that the FSU Summer Music Camps maintains a bully-free and discrimination-free environment, and does not tolerate bullying behaviors in any form including the use of social media. "Bullying" is when one or more people exclude, tease, taunt, gossip, intimidate, stalk, destroy property, hit, kick, or put down another person with the intent to hurt another or at the expense of someone else. Bullying can also happen through cyberspace: through the use of e-mails, the internet, cell phones, text messaging, instant messaging, social media apps, and other less direct methods. Bullying is inexcusable, and campers that are believed to be bullying or participating in bullying behaviors will be subject to immediate disciplinary actions, up to and including dismissal. Anti-semitic, racist, and discriminating behaviors and rhetoric will not be tolerated. Campers believed to be participating in discriminating behaviors will be subject to immediate disciplinary actions, up to and including dismissal.
- I will adhere to University rules and regulations and all codes of conduct while on campus.

I Will Use My Cell Phone Responsibly.

- I understand that I am allowed to have a cell phone for use during free time. My cell phone and all other devices such as smart watches, music players, games, tablets, and other similar devices will be TURNED OFF COMPLETELY and PUT AWAY OUT OF SIGHT during all classes, rehearsals, and performances.
- I understand that if I am in sick bay, my cell phone will be held in the dorm office so that I can focus on rest. If my family needs to reach me while I am in sick bay, they can do so by contacting the dorm office and a counselor will put us in touch.
- I may not take videos or photos during performances with my phone unless I have received prior approval from the Camp Director, Assistant Camp Director, or Dorm Supervisor prior to the event.
- I understand that if my cell phone is turned on, visible, or being used during class, rehearsals, concerts/performances it may be confiscated according to the following policy by any member of the camp staff:
 - First Offense: The cell phone will be confiscated for the duration of the event/class/rehearsal/etc. but will be returned to me at the end of the event.
 - Second Offense: The cell phone will be confiscated for a period of 24 hours.
 - Third Offense: The cell phone or device will be confiscated for the duration of camp. The item will be returned to me at camp check-out. If my cell phone is confiscated, my parents will still be able to contact me either through the Camp Office or the Southgate Campus Centre.

I Will Follow The Rules of The Dormitory.

- I will respect the rights, privacy, and property of others. There will be no stealing. There will be no vandalism. Furniture may not be moved from one room to another.
- I understand that charges will be made for damages to property. Any damages will be billed to then camper's family by the Southgate Campus Center or by the Summer Music Camps.

- I understand that there is no room visitation permitted between members of the opposite gender.
- I understand that practicing my instrument is not permitted at the Southgate Campus Center as it is a residence. Practice rooms are available and monitored in the music buildings.

- I understand that I may not travel in the personal vehicle of another camper.
- I understand that due to the risk of fire, motorized vehicles such as motorcycles, mopeds, hoverboards, self-balancing scooter boards, two-wheeled scooters, Segway's, carts, etc. are not permitted at camp or on campus.
- I understand that the possession or use of a firearm, knife, pellet gun, air gun, spring loaded or paintball gun, or other weapons on campus is a violation of FSU policy and not permitted on campus or at the FSU Summer Music Camps. This includes, but not limited to, firearms, fireworks, explosives, or explosive devices, or weapons (as described by University regulations). Weapons include items that are seemingly harmless but may be used as weapons—the so-called “dual use” items.
