CAMPER EXPECTATIONS

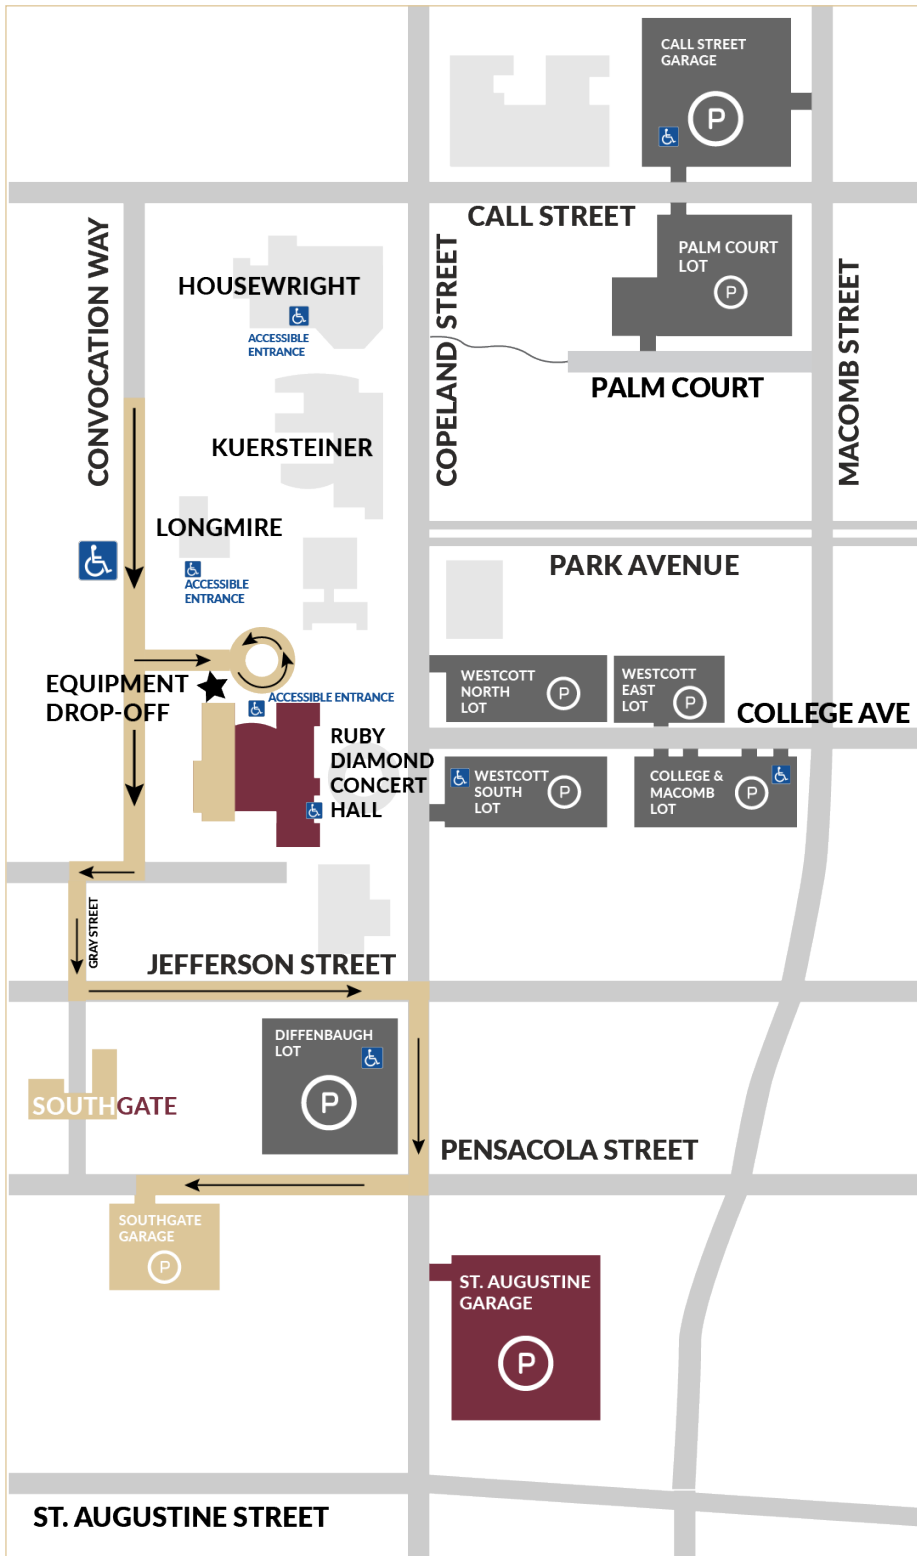

Nothing is more important to us than the well-being of our campers. We are vigilant about emotional safety as well as physical safety, about creating a place where campers feel safe, supported in reaching their goals and accomplishing challenges, and where everyone can have fun. To this end, the FSU Summer Music Camps requires all campers and parents to read, agree to, and abide by the **Camper Conduct Contract**.

THE CAMP APP

We use our camp app to send out text message reminders with information and changes, and to share photographs of the campers. You can download the app in the Apple App Store or Google Play Store under "FSU Music Camps". To log in, your username is the same as your online account that you used for registration.

What To Expect At The Dorm

LEAVE YOUR LUGGAGE IN YOUR CAR UNTIL AFTER YOU HAVE RECEIVED A ROOM KEY.

When you arrive to the dorm, all you should bring inside is yourself and medications that the dorm staff will administer. If the camper has medications that they will keep in their room to administer on their own, you do not need to bring those in.

Our counselors will be stationed on the ground floor. Once you have received a room key, you are officially under the supervision of the camps.

AFTER you receive your room key, you can return to your car, get your bags, and head to your room. Use this time to get settled, and meet your new friends and counselors. Parents are free to leave at any time.

Night Camper Check-In

What To Expect After You're Checked-In:

- **After receiving a room key, campers can only leave the dorm by being signed-out (in the Dorm Office on the 2nd floor or in the Southgate Lobby) by parents or individuals listed under authorized check-out.**
- Dinner is available starting at 5pm. All night campers must be in their rooms by 6:00pm and will be taken by their counselors to Orientation.
- Additional information to help you prepare for being a night camper starts on page 13.
- Overnight campers who drive themselves to camp do NOT need to purchase a parking permit. Night students may leave their car in the Southgate Parking Garage for the duration of camp. Students are not allowed to drive once they have checked-in, and will need to turn in their keys to the dorm staff upon arrival.
- Overnight campers MUST attend check-in. If you can't attend check in due to extenuating circumstances, please contact our office to make arrangements and get additional instructions.

FAQ

How long will check-in last?

You should allow at least two hours to check-in and get settled.

Do I have to attend check-in every week if I'm coming to multiple sessions?

Yes. At each check in the camper will receive a new name tag and/or materials that pertain to that camp.

Do I need a parent with me at check in?

No. As long as you are paid in full, and have completed all of the required camp forms, you do not need a parent to check you in. If you will not have a parent/guardian with you at check-in, be sure to come prepared with everything you need, such as money, and everything on the camp packing list!

We suggest contacting the camp office two weeks prior to check-in to be sure everything is all set for your arrival without a parent/guardian.

Can I drive myself to camp?

Yes. If you are a night camper you will park your car at the Southgate Parking Garage where it will remain for the week. You do not need a parking permit. You can not drive your car once you are checked-in. You will be able to check yourself out and drive yourself home at the end of camp. If you are a day camper driving yourself, you will need a

parking permit. See Day Camper Information on page 13.

What happens if we are accidentally running late to check-in?

If unexpected travel delays cause you to miss your check-in time, here is what to do:

- If check-in is still open (until 2pm), then just follow the regular check-in instructions whenever you can arrive.
- If check-in has ended (after 2pm), go directly to the Southgate Campus Centre 2nd Floor Dorm Office. Counselors will get you checked-in.
- If you know in advance that you will miss check-in, please contact our office to notify us of your expected arrival time. We will give you instructions about where to go based on the time and day you will be arriving.

Where can I eat on check-in day?

The first meal included under the dining plan is dinner. Please plan out your breakfast and lunch since check-in can be busy, and you want to make sure you eat! Campus dining options on Sunday in the summer are non-existent, so you will need to plan to get food off-campus.

There are food options nearby on Tennessee Street, Monroe Street, and Appalachian Parkway.

Night Camper Details

Being an overnight camper is a great way to experience the FSU Summer Music Camps. Please note that while most campers never have an issue at camp, **parents must be prepared to come to Tallahassee to get their camper immediately if their camper is sick (See Health & Wellness on pages 20-21), or violates our camp rules.**

About The Dorm

- All campers stay in a privately-owned dorm called the **Southgate Campus Centre located at 675 West Jefferson Street, Tallahassee, FL 32304**. The building is staffed with a 24-hour security desk in the main lobby.
- There is a camp office located on the 2nd floor of the dorm which is staffed by our counselors from 6am-11pm. After 11pm there will be an on-duty counselor available for late night assistance.
- A camp store will be set up in the dorm office to sell snacks, beverages, and commonly needed items. These are payable with cash only.
- Campers will be walked to and from the dorm and activities by the counselors. Campers are not permitted to go anywhere on campus unaccompanied.

The dorm rooms are old-school, plain square rooms. Each room will house three (3) campers; there is no option to request a private room.

Each dorm room is 220 sq. feet with its own bathroom, and will contain three beds, one wardrobe for storage, two sets of drawers for storage, two desks, one overhead ceiling light, a shower curtain, and toilet paper. There is one window and one air conditioning unit in each room.

Beds are raised slightly off the ground for storage:

- Under Bed 1 there are 4 storage drawers
- Under Bed 2 there are 4 storage drawers
- Under Bed 3 is open space.

Even though the diagram shows the beds made, we DO NOT provide pillows, sheets or blankets.

You will NOT be able to adjust the air conditioning temperature - doing so results in too much moisture in the room. Most campers find the rooms to be cold, so bring a warm blanket.

The room will be cleaned prior to your arrival, campers are responsible for keeping rooms clean on a daily basis. That means picking up and throwing away trash, and wiping down high touch surfaces. Please be considerate of your roommates and keep your area tidy.

Lost room keys should be reported right away to a counselor or dorm office. All keys must be returned at check-out. **There is a \$25.00 fee for lost keys.**

Males are housed on the 2nd floor of the dorm. Females are housed on the 3rd floor of the dorm. The 4th floor may be utilized as well, and occasionally will be used as a mixed gender floor separated at opposite ends of the same floor. Rooms are assigned based on the gender that was selected on the camper's registration form, and the camper's age. Unless there is a specific roommate request, we will assign the camper with two other roommates of the same age (+/- 1 year) and gender. (Roommate requests info is on next page).

Night Camper Details

ABOUT THE DINING HALL

➤ The dining hall is located on the first floor of the Southgate Campus Centre. Three meals per day are included for overnight campers. The meal plan begins with dinner on Sunday (check-in day).

➤ Your name tag is your meal admission, so if it is lost or damaged please see a counselor right away for a replacement.

The dining hall is set up like a food court/buffet. It will always include a hot entree station and beverage station at all meals. During breakfast, cereals, bagels, English muffins are also available; during lunch and dinner a salad bar, and dessert station are added.

DIETARY ACCOMMODATIONS

If you indicated on your Housing & Dining Information Form that your camper has food allergies, religious requirements, or other dietary restrictions, we have provided the information to the dining hall director. The Dining Director is an employee of Sodexo, the company which manages the dining hall at the Southgate Campus Centre. She will be working with her staff and a registered dietitian to create a camp menu that meets your needs. She may reach out to you prior to the start of camp if additional information is needed, but if she has all of the information that she needs from your form, then you may not hear from her directly. If you have specific questions or concerns about your dining arrangements, you may reach out to her directly at: donna.jones@sodexo.com. Please be sure that any communication with her specifies the FSU Summer Music Camps and includes your child's name and the week they are attending camp.

Food for campers with accommodations will be found in a separate area of the dining hall; it will not be on the main serving line. If campers are unable to locate their allergen free meals, they can ask any dining employee for assistance.

FOOD DELIVERIES

Campers may have food or other items delivered to the dorm if they wish. Counselors will go over all dorm rules at Orientation, and will cover the times that food can be delivered. Campers are NOT permitted to go outside to meet delivery drivers - the driver must come into the dorm lobby to deliver any food to campers.

STAYING FOR MORE THAN ONE SESSION

If the camper is joining us for more than one camp or session, and the sessions are consecutive, you have the following options:

- Check-out from the first camp on Saturday after the performance and spend the night off-campus. The camper returns for check-in on Sunday for the next camp. Campers will work with their counselor at the end of the first camp to find out if they will need to move rooms, or if the camper will be able to leave their belongings in their current dorm room on Saturday night.

OR

- Book an extra night of housing and stay in the dorm on Saturday night. Extra nights are \$75.00 per night and include the extra night, extra meals, and supervision. Counselors will bring all stay-over campers to check-in for the next camp on Sunday, so parents do not need to be present for check-in at the second camp. Typically students who stay over do not need to move rooms. Extra nights can be purchased in your [online camp account](#).

ROOMMATES AND ROOMMATE REQUESTS

Campers are able to request a roommate(s) if they wish. To request a roommate, use the Roommate Request Form in your [online account](#).

- You can request to room with campers that are attending a different camp as long as the check-in and check-out dates are the same.
- All campers involved in the request must submit their own request form so that we see that everyone does want to room together. For example, if Sally, Julie, and Mary want to room together, each of them must submit a roommate request form with all three names on it.
- Males and females cannot request each other.
- Roommate assignments are NOT confirmed prior to camp. You will find out your room assignment and roommates at check-in. Every effort will be made to honor your request.

NIGHT CAMPER PACKING FAQ

Can I bring a fridge or microwave?

Yes, you are permitted to bring these items but please keep in mind that the rooms are VERY small. After you put three people with luggage and personal items into the room, there is very little space left for a fridge or microwave.

Can I bring food to have in the room?

Yes, you can bring food/snack items for your rooms. Please bring nut-free items that are individually packaged to avoid allergy problems. Rooms do not have refrigerators or microwaves, so anything you bring will need to be kept and eaten at room temperature. Outside food is not permitted in the dining hall due to health code regulations.

Can I bring a computer, TV, or gaming system?

Yes, but there is no wifi or cable in the room. These items are your responsibility. The camps are not responsible for damage, theft, or loss of any personal item.

What is the item that campers most wish they brought with them?

It's a tie between:

- A mattress pad
- A warm blanket (the rooms are very cold)
- A light (the rooms are very dark)
-

What if I leave something important at home?

Once you are checked-in at the dorm, your parents (or an authorized sign-out person) can sign you out at the camp office and you can go run errands. We have a Target, CVS, Walmart, and other stores close by. You just need to be back by 6:00pm.

If you forgot something and can't leave to get it, we may have it available at the camp store in the dorm office. Ask your counselor.

If you forgot something essential and it can't be replaced in Tallahassee, you can have your family ship it to you via the instructions for MAIL under the Camps A-Z section. Use FedEx or UPS or you will not get it in time.

PARKING PERMITS

Day campers being dropped-off and picked-up do not need any kind of parking permit.

Camp parking permits will allow you to park in any ungated FSU Parking lot in faculty/staff/student spaces. The parking lot marked with the star on the map to the left is the closest parking lot for both drop-off, and parking with a permit. Campers who drive themselves to camp each day will want to move their cars over to the other side of campus during the lunch break as afternoon activities take place in the music buildings. You can use the map on page 14 as a reference for parking lots near the College of Music.

Please remember that day-campers may never transport a night-camper in their personal vehicle, and should not transport other day-campers in their personal vehicles. If they do transport other campers, they do so at their own risk and are responsible for anything that happens to the other camper(s) while in their car.

The dining hall does not accept payment at the entrance to purchase meals. Your camp name tag will indicate that you have purchased a meal plan and allow you entry to the cafeteria.

After classes end at 5pm, day campers who purchase a dinner package would walk back over to the dorm with the other campers, and then stay in the cafeteria, in the lobby area of Southgate, or in the 2nd floor dorm office until evening activities begin. Day campers who eat at Southgate are NOT able to go up into the dorm rooms to visit with overnight campers.

If you purchased a meal plan, and indicate on your Housing & Dining Information Form that your camper has food allergies, religious requirements, or other dietary restrictions, we have provided the information to the dining hall director. The Dining Director is an employee of Sodexo, the company which manages the dining hall at the Southgate Campus Centre. Day campers who drive themselves to camp will be able to check out themselves out to drive home each day. Night campers who drive themselves to camp will be able to check out themselves out to drive home on the last day. If your camper is driving home at the end of camp in another

camper's personal vehicle, please include the camper's name as an Authorized Pickup.

CAMP STORE

A camp store will be set up in the dorm office to sell snacks, beverages, and commonly needed items such as toothpaste and feminine products. These are payable with cash only. There are also vending machines in the music buildings which accept credit and debit cards, or cash, for snacks and beverages.

CHECK IN TIME

You have been randomly assigned a check-in time slot. Time slots help us minimize crowds, keep placement auditions moving, and make the process faster for you!

Your time has been sent to you in an email. If you can't find the email, you can call or email us and we can look it up. If you need to change your arrival time, call us or send an email and we will find you a time that works.

CELL PHONE POLICY

We allow cell phones at camp as long as they are used responsibly. Cell phones may be used during free time. All cell phones and other devices such as smart watches, music players, games, tablets, and other similar devices must be **TURNED OFF COMPLETELY** and **PUT AWAY OUT OF SIGHT** during all classes, rehearsals, and performances.

If a camper is not feeling well and is going to sick bay, their cell phone will be held in the camp office so that they can focus on rest. If a family member needs to reach the camper while they are in sick bay, they can do so by contacting the dorm office.

Campers may not take videos or photos during performances with their phone unless they have received prior approval from the Camp Director, Assistant Camp Director, or Dorm Supervisor prior to the event.

If a cell phone is turned on, visible, or being used during class, rehearsals, concerts/performances it may be confiscated according to the following policy by any member of the camp staff:

First Offense: The cell phone will be confiscated for the duration of the event/class/rehearsal/etc but will be returned at the end of the event

Camp Essentials: A-Z

Second Offense: The cell phone will be confiscated for a period of 24 hours.

Third Offense: The cell phone or device will be confiscated for the duration of camp. The item will be returned at camp check-out. If the cell phone is confiscated, parents will still be able to contact the camper through the Camp Office or the Southgate Campus Centre.

COUNSELORS

Day counselors are with the campers while they attend classes during the day, and also participate in some of the evening recreation activities. Day counselors are primarily undergraduate College of Music students and are a great resource for campers that want to know more about what it's like to be a student at FSU. Day Counselors are available to assist with anything the campers need; from forgotten items and finding classrooms, to pep-talks and snacks. Day Counselors can be found on the field, at the Help Desk in the Housewright Music Building and at Satellite Help Desks throughout the other classroom buildings.

All day campers will have a day counselor assigned to them, and they will meet the counselor at check-in. If you are a day camper, please make sure you meet your counselor before you leave on check-in day.

Our night counselors reside in the dorm with the campers. They supervise the campers whenever they are at the dorm, and during all evening activities.

Night counselors are primarily undergraduate and graduate level FSU College of Music students, or FSU Alumni. Each room will be assigned a specific night counselor. If at any time a camper needs assistance and their primary counselor is not available, there are always night counselors in the dorm office from 6am-11pm. After 11pm there is always an on-duty counselor available for late night emergencies.

DELIVERIES

Campers may have food or other items delivered to the dorm if they wish. Counselors will go over all dorm rules at Orientation, and will cover the times that food can be delivered. Campers are NOT permitted to go outside to meet delivery drivers - the driver must come into the dorm to deliver any food to campers.

DRESS CODE

The dress code for all camp activities is casual (shorts,

t-shirts, jeans, etc) but should be appropriate for classroom instruction and for group recreation activities.

Because of the potential for extreme temperature conditions on the practice field, you must be wearing appropriate clothing for physical activity under hot conditions. If camp staff deems a camper's attire poses potential health consequences, it is at the discretion of the camp staff to require camper to change.

EVENING ACTIVITY PREFERENCES

When activities have been finalized, you will be notified (via email and on the camp app) that a new form has been added to your **online account**. This form will ask your **preferences** for evening activities on the nights when there are multiple choices. We will always try to assign all campers the activities that they want, but we cannot always guarantee it. Some activities have participant limits set by the venue, or we are limited by the number of practice rooms, room capacity, etc... Activities will be assigned based on the date that your preference form is submitted. After the deadline there will be no changes until after camp starts.

Once camp begins, campers will go over their selected evening schedule with counselors and have an opportunity to request changes. **Payment for activities that have a fee will be paid in cash to the counselors on the day of the event.**

EXERCISE AND SPORTS

We sometimes offer recreation activities that include sports like kickball, volleyball, football, and basketball, but we cannot make accommodations for campers to workout or practice other sports while at camp. There is not enough time in the camper's schedule, and we do not have access to fitness or sports facilities. Campers are not permitted to go running by themselves. Campers may not sure the gym located in the Southgate Campus Centre.

FORMS

You can find required and optional camp forms in your **online camp account**. This will include medical forms, housing request forms, class preference forms, evening activity preference forms and more.

HOLIDAYS

Camp continues as regularly scheduled on Juneteenth (June 19), and the Fourth Of July (July 4). Campers will attend classes and have regular camp events on these days.

Camp Essentials: A-Z

HOMESICKNESS

Most of our campers are so busy that they don't have time to miss home! We get far more calls from parents who are surprised that they haven't heard from their kids all week, than those that have homesick children. But homesickness is common at all summer camps, and it can effect both first-time and seasoned campers. New places and new experiences can make some kids nervous, but our counselors and instructors have lots of ways to help your camper engage, meet new friends, and ease homesickness. Campers are always welcome to call home, and if you believe that your camper is experiencing homesickness you can always let us know so that we can ensure the counselor is aware. If homesickness is something you are concerned about, there is a lot of great information available on the Internet about preparing for camp. Here is one great [link](#).

INTERNET & CLASSWORK

Students who need to do classwork for virtual school or other academic classes will be able to sign-up for work time as an evening activity on nights when there are not required rehearsals. Students will need to bring their own laptop or personal device, and internet will be available in the camp office.

LAUNDRY

The dorm has laundry facilities. The machines use a laundry card which can be purchased with a debit card or you can use quarters. At the time of publishing this handbook, the average cost of a load of laundry (washing & drying) is \$3.00. The camp store in the dorm office will sell laundry detergent and dryer sheets for \$2.00.

LOCAL INFORMATION

Information about Tallahassee can be found at visittallahassee.com. There is a great digital guide with a hotel and restaurant directory, as well as business listings and local area maps.

LOST & FOUND

We maintain a lost and found at the Help Desk and at the Dorm Office. Any items left or lost can be returned [at the family's expense](#) via the UPS store on campus. **Items not claimed by July 12 will be donated or discarded.** Call 850-644-9934 or email musiccamps@fsu.edu for help with Lost and Found.

MAIL

If you are planning to send mail to a camper while they are at

camp, we suggest you do the following:

- Send it before they leave.
Our campus mail system slows the process down by as much as four days! We often receive cards and letters for campers long after their camp has ended. By sending mail the week before your camper leaves, we will be able to give it to them during the camp week. Any packages which need to be forwarded after camp has ended will be at the family's expense.
- Send it to this address:
FSU Summer Music Camps
Attn: Campers Name
122 N. Copeland Street, HMU 204,
Tallahassee, FL 32306-1180
- Send it via FedEx or UPS: DON'T SHIP VIA US MAIL.
If you are sending campers anything of value, we HIGHLY suggest sending it via FedEx or UPS. If you use the US Postal Service - even with a tracking number - you will find that once the package leaves the Tallahassee Post Office and enters the campus mail system, the tracking number will no longer work; it will seem like the package has been lost and even the Post Office will not be able to help you track it down. Only FedEx and UPS will enable you to track your package all they way through delivery.
- "Next Day Service" doesn't really mean next DAY on the FSU Campus. Mail and packages are only delivered to the College of Music once per day - usually at about 3:00pm. Even if you pay for AM delivery, expedited overnight service or priority delivery, it won't be delivered to our office until the late afternoon. It will then be given to the counselors who will get it to the camper at dinner time. Bottom line - if you send something on a Tuesday via overnight service, don't expect the camper to get it until Wednesday evening at the earliest.
- Be mindful of holidays such as Juneteenth and July 4th. The FSU campus is closed on those days so we will not receive mail or packages (but we do have camp!)

MONEY

Most of the items that campers spend money on are snacks, drinks, pizza delivery, and recreation activities. There will always be a free activity offered each evening. On some evenings, there will be optional recreation activities offered that have an additional fee, approximately \$10.00-\$20.00. These activities are payable in cash only, and will be paid on

Camp Essentials: A-Z

the day of the event.

We encourage parents to make sure that campers have enough money before they leave. We typically recommend \$50.00 per week as a general rule. It is difficult for parents to get money to campers once they have left campus.

If you are concerned about your child carrying cash (there are no safes in the rooms) you might consider a pre-paid ATM card or a debit card that you can control from home. Pre-paid cards are available at Walmart and most convenience stores or grocery stores. Make sure that the card you select can be used as a debit and ATM card. There is a SunTrust ATM machine in the dorm and a Bank Of America ATM located across from our music buildings.

In the event that you need to send money to a camper after they are here, you will need to utilize the Western Union at the Publix on Ocala Road: PUBLIX #0782, 800 Ocala Rd, Ocala Corner Shopping Center, 850-575-3929. Whoever is receiving the transfer must be able to show ID - so if your child does not have ID they can not pick up a money transfer. You will need to work with your camper and their counselor to determine a time that they can go to receive the transfer.

POLICIES

All of our camp policies can be found on our website at <https://music.fsu.edu/events/camps-festivals/summer-music-camps/policies/>

T-SHIRTS

Camp t-shirts will be on sale at check-in and at most concerts. The t-shirts are \$20.00 and can be purchased using cash, check or credit card. Proceeds from these t-shirts go to the FSU collegiate chapter of the National Association for Music Education (CNAfME).

VISITORS

Campers may visit with friends, day-campers, and relatives who are not music campers in the lobby and dorm office at Southgate during the evening hours before curfew. Guests must register at the camp office and are subject to the Rules of Camp. For the safety of all campers, the camp staff reserves the right to deny visitation between campers and non-camp guests.

VISITING FSU

If you are interested in an official tour of the FSU Campus, or meeting with FSU Admissions officer, please visit <https://visit.fsu.edu/>

[fsu.edu](https://www.fsu.edu). Most campers will have an opportunity to take an "unofficial" campus tour with our counselors if they choose. Our College of Music Admissions Director will visit a camp class to answer any questions.

Health & Wellness

The health and safety of our music camp community is our top priority. In order to protect all of our campers, counselors, instructors, and staff, the following is our protocol for managing illness that presents at camp:

- If an **overnight camper** is not well enough to be in class or at an activity, they should go to the dorm office for evaluation. Even if they are just tired, they must go to **sick bay** for rest - they can not stay in their room. In the dorm office, the camper will have their temperature taken.

If the camper is running a fever, arrangements must be made for the camper to go home immediately. The counselor and camper call home to update the parents about their condition and make a pick-up plan.

The counselor will collect the campers cell phone and take them to sick bay. Parents will be given the phone number for the camp office; this number will be the only way for parents to reach their camper while the camper is in sick bay.

We can keep the camper isolated until the parent/guardian is able to travel to Tallahassee to take the camper home, however, **parents must be prepared to collect the camper within 24 hours.** If a camper must be sent home due to illness there are no refunds.

- If a **day camper** has a fever do not send them to camp!

Please call our office to notify us that they will be absent. They must be fever-free (without the aid of medication) for 24 hours before they can return to camp activities.

If a **day camper** feels unwell, but does not have a fever do not send them to camp that day. Please call our office to notify us that they will be absent. If they feel better with rest, their symptoms are completely gone, and there is no fever, the camper will be allowed to return to normal camp activities the next day.

GENERAL MEDICAL CARE

There may be times that campers have a medical concern which has nothing to do with feeling unwell. In these cases, campers age 13 and over who experience health problems while at camp will be treated at the FSU Wellness Center (9am-4pm) or at Patients First, a group of local urgent care facilities. All campers age 12 and under will be treated at Patients First. 911, The Tallahassee Memorial Hospital, or Capital Regional Medical Center will be utilized for all emergency situations.

The FSU Summer Music Camps does not have a nurse on staff and employees of the Summer Music Camps are not responsible for making health decisions on behalf of the campers. All medical care will be given by a health professional at one of the facilities listed above.

If the camper is not running a fever, or if the camper is in sick bay for an injury, the counselor will have the camper call home to update the parents about their condition. Parents can choose to either come and get the camper, or allow the camper to remain in sick bay and be monitored for up to 24 hours.

The counselor will collect the campers cell phone and take them to sick bay to focus on rest (this applies to all campers regardless of the reason they are in sick bay). Parents will be given the phone number for the camp office; this number will be the only way for parents to reach their camper while the camper is in sick bay.

If the camper continues to be fever-free and starts feeling better, they can return to camp activities at any time. Their cell phone will be returned to them when they are signed-out of sick bay.

If after 24-hours in sick bay the camper is still not well enough to return to camp activities, or if the camper has developed a fever, parents must make arrangements to come to Tallahassee to take the camper home. We can continue to keep the camper in sick bay until the parent/guardian is able to travel to Tallahassee, however, **parents must be prepared to collect the camper within 24 hours.**

No Cell Phones In Sick Bay

Health & Wellness

MEDICATIONS

It is highly recommended that all night campers bring a supply of common medications to camp. We do NOT have a supply of medication to give to your child. These would be in addition to any medications that the camper takes on a daily or routine basis. Please send your camper prepared.

This would be in addition to any medications that the camper takes on a daily or routine basis. The most common ailments at camp are headaches and stomach aches, so it is essential that you pack some medications for them just in case. Examples would be Tylenol, Advil, Motrin, Tums, cold medication, and the like.

If you do not pack medication for your camper, they will be unable to access medication while at camp.

- Most pharmacies will not sell over-the-counter medications to minors.
- Counselors are not permitted to purchase medications for your camper.
- Health care centers will not provide medications unless it is a prescription.

On the required Medical Form, which you can find in your [online account](#), you will be able to elect to have the camper keep medications in their room, or turn them into counselors.

Get Ready To Walk!

Campers will do **A LOT of walking** as this is a college campus. They will walk back and forth to the Chiefs Practice Field, they'll walk on the "trail" several times per day, change classes, go to other buildings that may be far apart, walk to recreation event....SO MUCH WALKING all day, every day. And it's hot.

So please prepare for this by:

- WEARING COMFORTABLE SHOES.
- Bringing an umbrella.
- Dressing in layers!
- Bringing some band-aids or moleskin in case you get blisters.

Flip flops may seem like comfortable summer footwear, but they can be dangerous when the sidewalks and stairs are wet (which they will be when it rains every afternoon just as you are trying to walk back to the dorm). We encourage you to bring footwear that won't land you in the hospital.

MEDICAL FORM & INSURANCE FORM

There is a required medical form in your online account which needs to be completed prior to camp. Please fill this form out completely and accurately. It is our main source of information if there is a medical emergency for the camper. We do not require vaccination records or a physical.

Any and all costs which may be incurred for medical care during the course of the camp will be the family's responsibility.

For camper's with insurance, a copy of the camper's medical insurance card is required. It is the family's responsibility to provide us with any updates and/or changes to this insurance information before or during Camp so that any insurance claims are billed properly.

If you do not have insurance, if you have TriCare, or if you can not provide a copy of the medical insurance card, please call our office so that we can mark your insurance card form online as complete.

Keep Our Camp Community Healthy

As a daily self check-in, all campers should ask themselves:

- In the past 24 hours, have I felt sick, feverish, or unwell?
 - Have I had any of the following new symptoms? (fever, cough, sore throat, shortness of breath or trouble breathing, headache, body ache, runny nose, stuffy nose, sneezing unrelated to allergies).
 - Do I have a runny nose, stuffy nose or sneezing that is getting worse?
- If the camper answered NO to all of the above, great!
- If the camper answered YES to anything, do NOT go to class. Let a counselor know immediately. If they are a day camper, keep them home.

Some activities have participant limits set by the venue, or we are limited by the number of practice rooms, room capacity, etc...
